VENUE. AULA MAGNA RESIDENCE

COMMENTS

VENUE. AULA MAGNA RESIDENCE

Very basic accommodation, but decent enough.

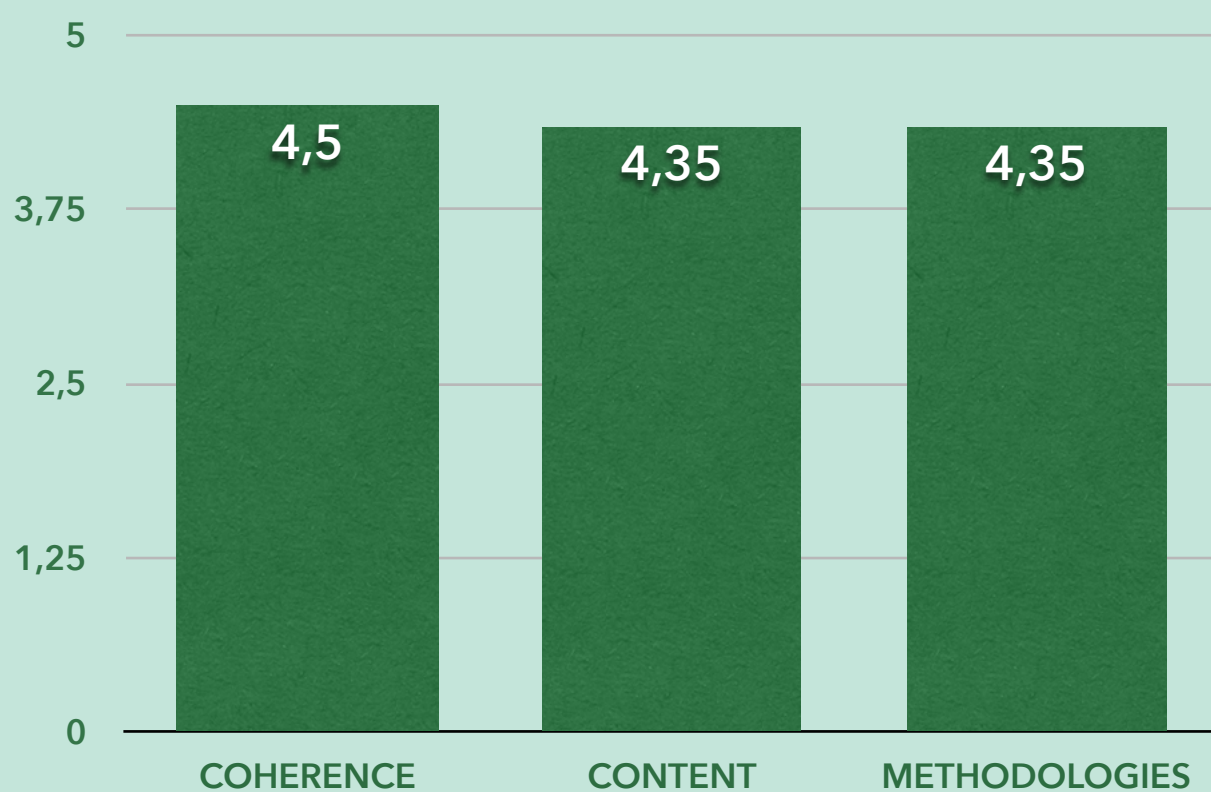

The rooms were average. The working room was too dark. Location was great.

Lack of A/C. Only 1 towel. No soap.

Would be nice to do activities outside or other rooms to change the dynamic from being in the same room for the majority of the time.

The bedroom, in particular the mattress, wasn't great. The shower was great - great pressure - definitely keep this. A lot of great food- perhaps more healthier options.

ACTIVITY PROGRAMME

COMMENTS

ACTIVITY PROGRAMME

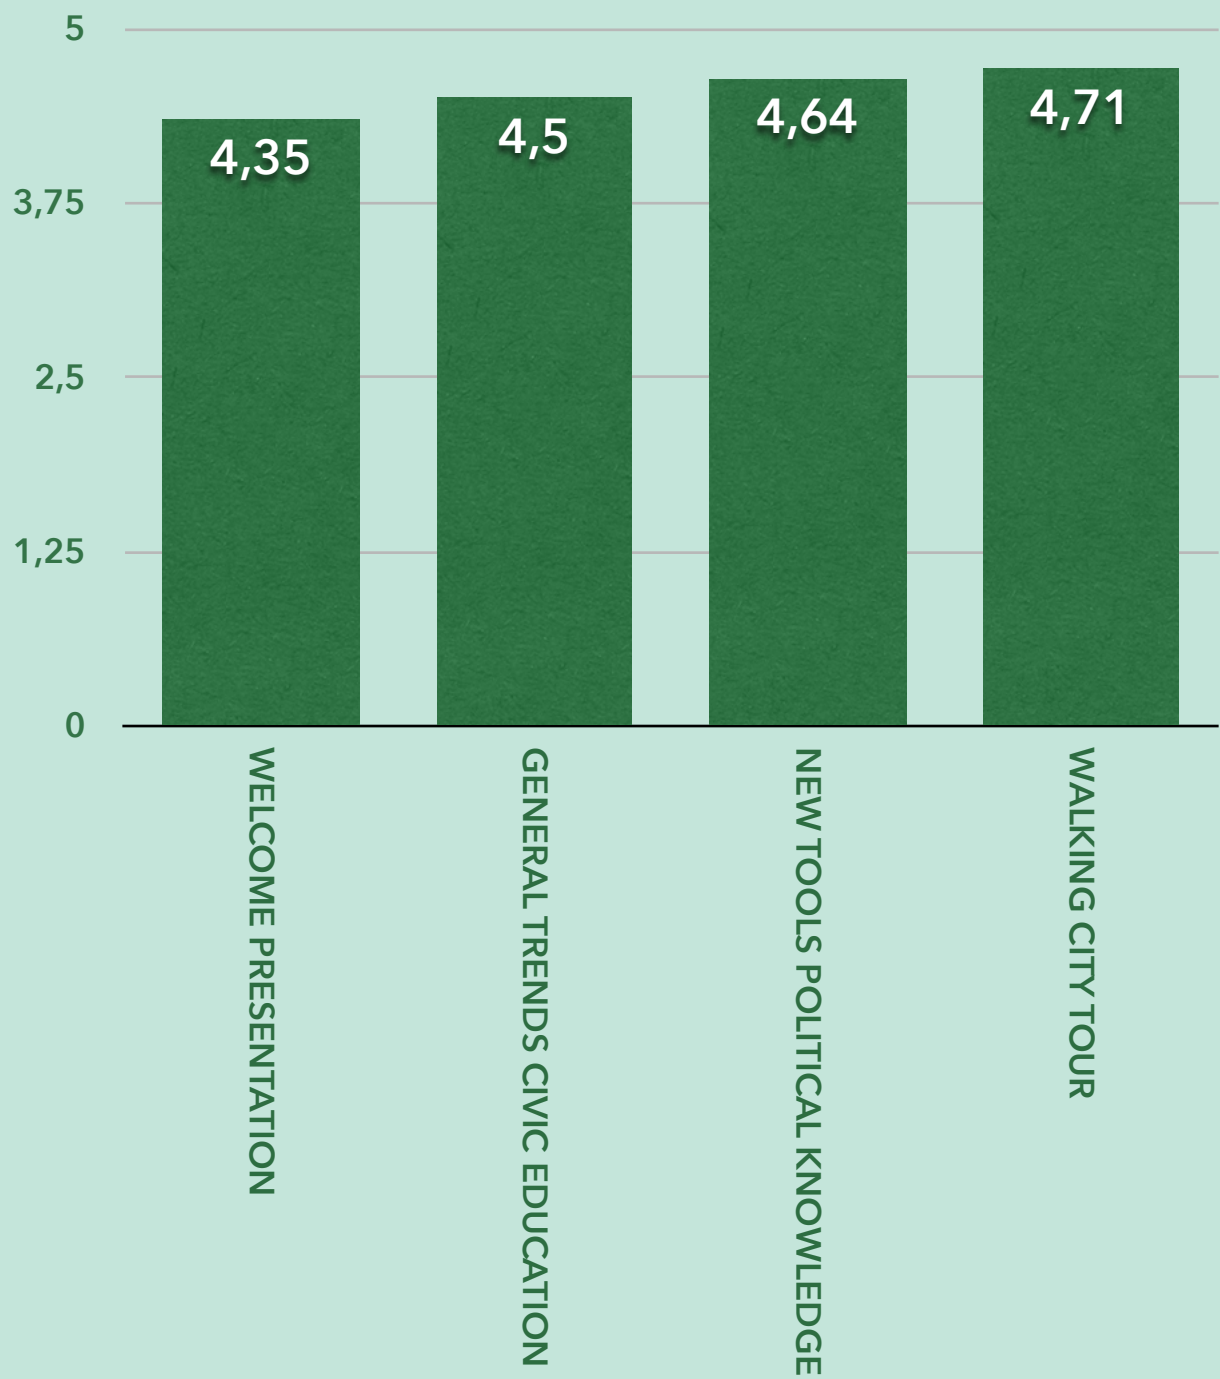

Very positive, indeed. It shows that things have been well prepared and timely organised. Good cooperation among BB&R colleagues.

I would have liked more practical activities.

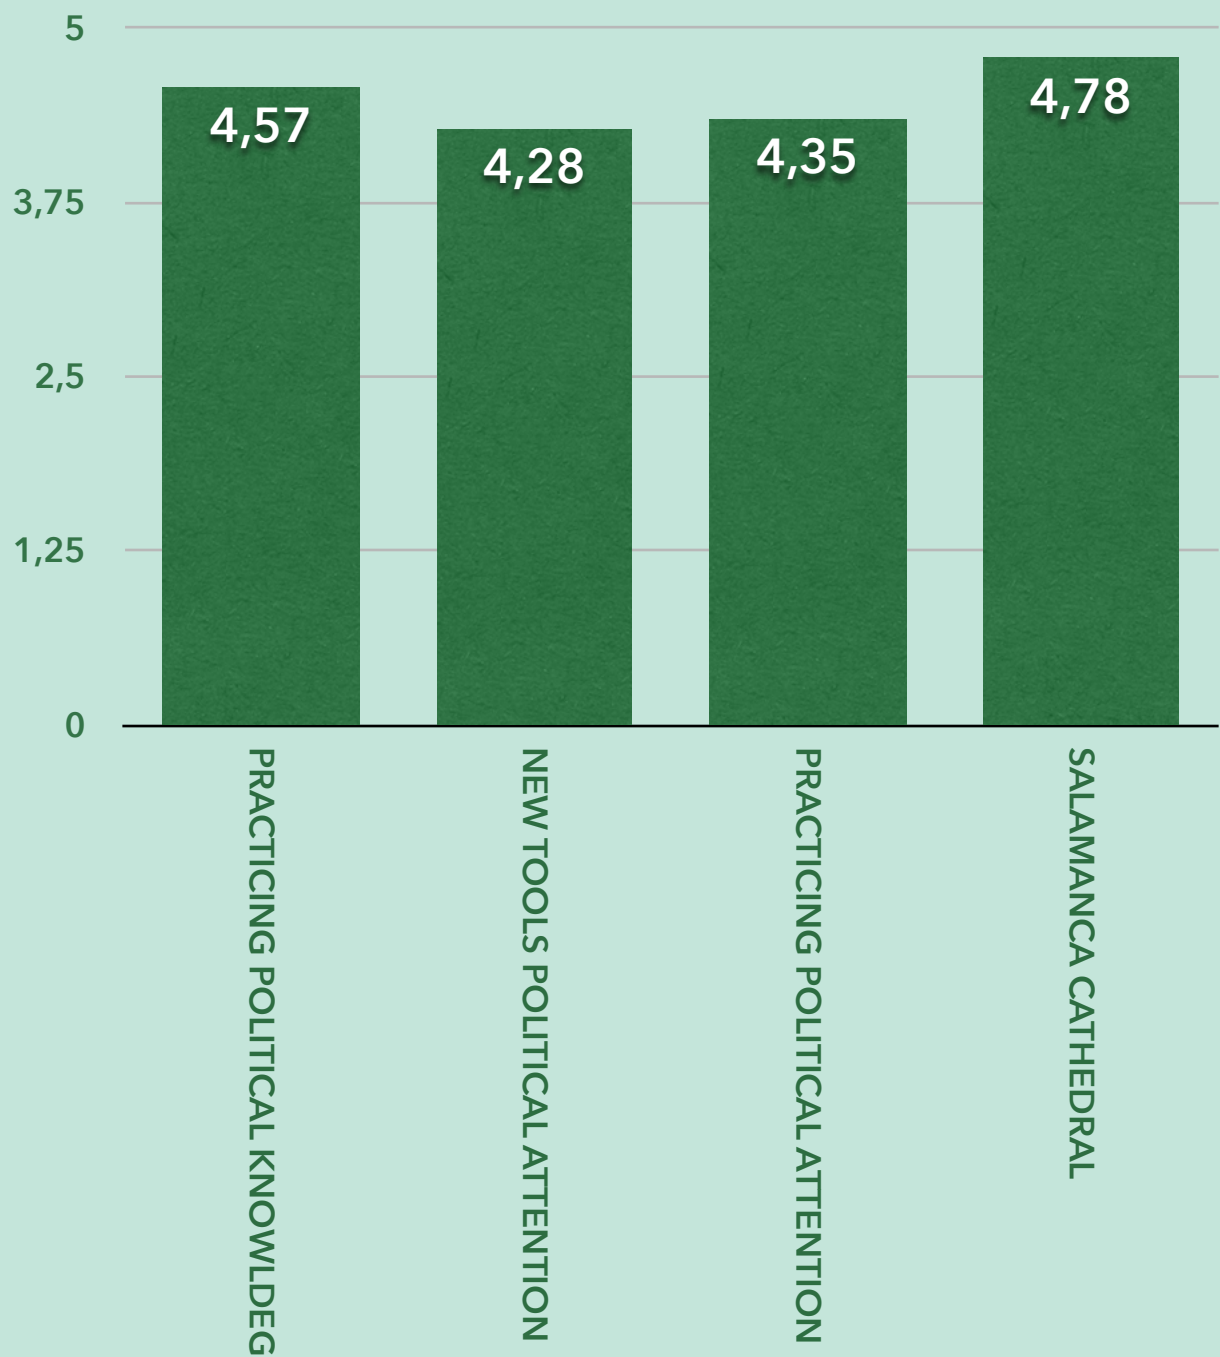

Excellent - Professionalism.

Very good mixture of activities + methods. Perhaps incorporate more active exercises including drama + role plays. Great energisers. Learnt a few to take back + use with my young people.

COMMENTS ACTIVITIES

Intense content and material.

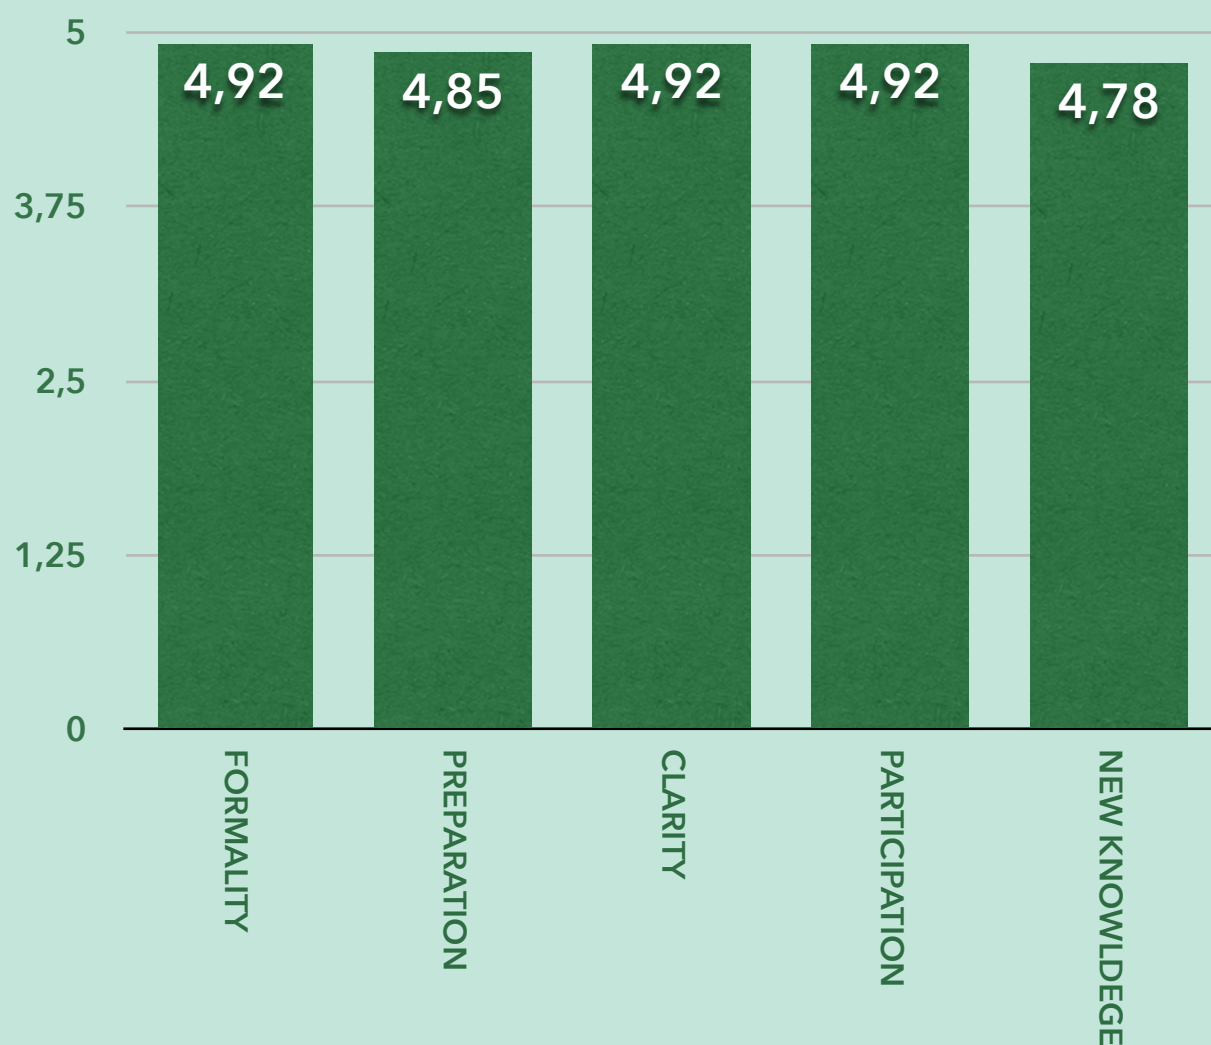

Energisers and trips were amazing.

In an exceptional environment we had perfect training and feedback.

It would have been great to have had a personal tour - guide sharing information on Cathedral + Convent vista - found it hard to engage due to the language barrier. I would've wished more activities to reflect on my own relationship with the concepts.

EXECUTIVE COORDINATOR

Good cooperation with Pablo. Professional.

Very friendly, understanding and approachable.

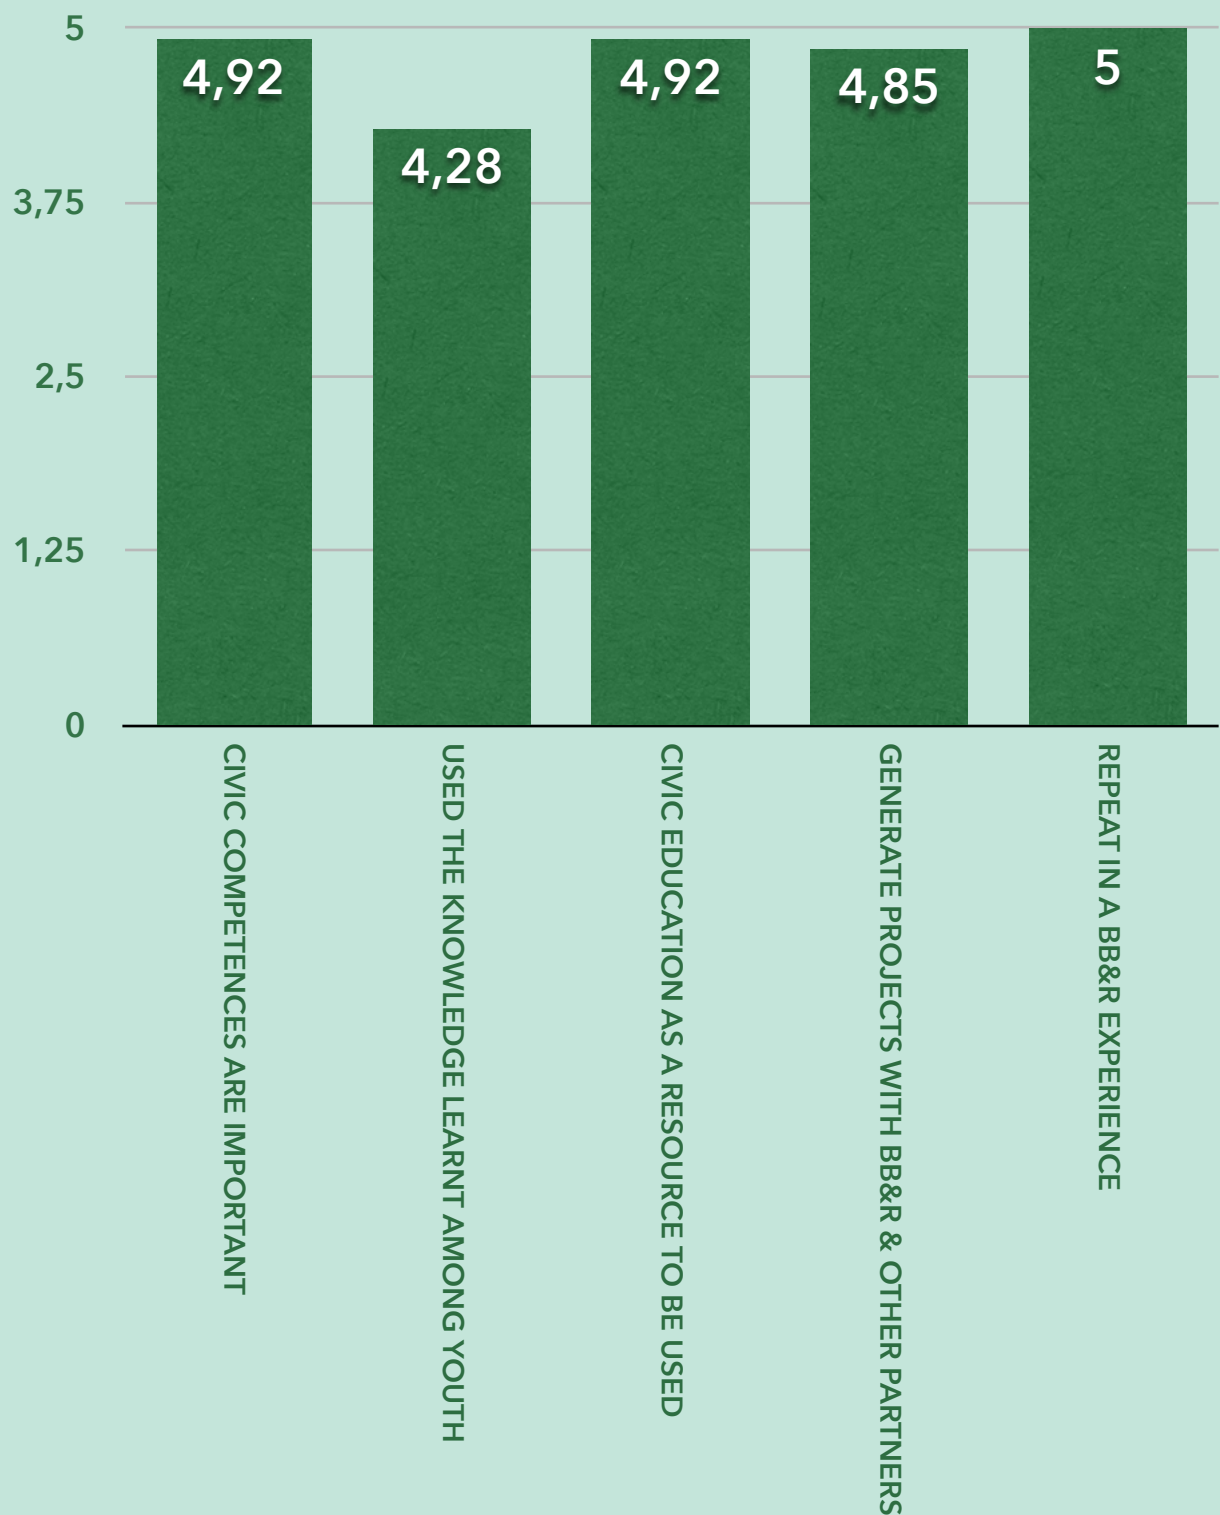

Alonso was a great facilitator. He was very accommodating and made me feel very comfortable. Very understanding and patient.

He was very helpful. He did the best for us.

Great asset to the programme. Approachable in time of need. I would employ him as a member of my time. Took timeout to get to know people. Even young he has great knowledge + understanding.

Very informative and helpful. Happy to help with any task or question participants have. Polite and great knowledge of energisers. Great conversationist and genuine approach to make sure everyone has a good time + learns. I also liked Alonso's unique approach to games I cannot tell you or repeat the rules of the game! :)

FEELINGS & SENSATIONS

You both are great, thank you for everything, for your attention and your time. See you!

I loved my stay in Salamanca and had a great time and learned a lot. Thank you BB&R Team =)

Everything was great. Maybe if we could find some resting time.

Congratulations for your efforts! Keep on with the good work and ideas!
